

MAKIN' CHOICES, INC provides Mental Health and therapeutic support services to clients within the community. MAKIN' CHOICES, INC contracts with Area Mental Health Programs

to provide behavioral services provided to adults and children. Makin' Choices contracts with Medicaid reimbursed services so clients must be Medicaid eligible to receive services, unless other funding arrangements have been made.

Services are individually planned for each client/family and Makin' Choices professionals work closely with the referring area mental health agency and other involved agencies as needed. Patients will receive services from our direct care staff, which include a Licensed Clinician, Qualified Mental Health Professionals, Targeted Case Managers, Para-Professionals and CAP Caregivers . Our qualified staff is responsible for providing one-on-one services to consumers within the community. All Makin' Choices employees have received training in mental health and support medical services and require all other necessary training for the position as well as experience serving special needs populations. MAKIN' CHOICES, INC is interested in providing the best quality care to those in need and we encourage you to keep us informed about how our services are benefiting to your family member. You can contact us at the below address and number.

Our office hours are from 9am to 5pm, Monday thru Fridays.
